**A Fifty Dollar rental deposit is required for the use of the Stolfus 5 Ton lime spreader. The rental rate will be \$100.00 per week day, or \$150 for a weekend (Saturday and Sunday). The equipment is to be returned to the pickup point no later than \_\_\_\_\_ (date) at \_\_\_\_ a.m./p.m.**

**Return date is determined by number of days used or in possession of the Lessee.**

**IN CONSIDERATION OF THE USE OF SAID EQUIPMENT AS HEREIN SPECIFIED:**

\_\_\_\_\_ I certify that I have liability insurance on the vehicle used to transport the equipment, and this insurance also applies to the equipment being towed by the vehicle.

A cooperators agreement (if not already a cooperators) and a rental agreement must be signed before transporting the lime spreader.

The Lessee agrees to rent the said piece of equipment at a rate of one hundred dollars (\$100.00) per week day in their possession. Weekends (Saturday and Sunday) will be one hundred fifty dollars (\$150.00). **The balance is due within thirty (30) days of completion**, and shall be based on the number of actual days in the Lessee's possession or use. After 30 days, the unpaid balance shall bear interest at the rate of 1.5% monthly.

**The Lessee will clean the lime spreader after use. Any mud or debris on the exterior of the lime spreader will be cleaned using a water hose (NO POWER WASHER IS TO BE USED). The Lessee will grease all fittings following cleanup. A cleanup deposit of \$25.00 will be paid at the time of application. Upon return of the cleaned and greased lime spreader, the deposit will be credited toward the rental charge.**

**The unauthorized late return of the lime spreader will result in a one hundred dollar (\$100.00) per day late charge. If the Lessee keeps the lime spreader in excess of two days over the return date (without authorization), then that Lessee cannot use the lime spreader for one calendar year following the date of the late return. To receive authorization for the late return of the lime spreader, the Lessee must contact the District staff. The staff, if contacted, can make the decision regarding the extension of the return date for bad weather, breakdowns, etc. The call and their decision will be documented on the office copy of the contract. It is suggested that the Lessee also make note of the call and decision on his/her copy of the contract.**

Indemnification. Lessee shall indemnify and hold harmless the Scioto Soil and Water Conservation District, its elected officials, agents and employees from any and all losses, claims, damages, lawsuits, costs, judgements, expenses and any other liabilities which they may incur as a result of bodily injury, sickness, disease or death, or injury to or destruction of tangible property including the loss of use resulting therefrom, caused in whole or part by the negligent act or omission of the Lessee, any sub-lessee, any person directly or indirectly employed by any of them or any person for whose acts any of them may be liable. Lessee further agrees to defend the Lessor (Scioto Soil and Water Conservation District, its elected officials, agents, and employees) in any lawsuit, arbitration or other legal proceeding seeking recovery as a result of any accident or incident arising out of or in any way connected with the equipment.

**The Lessee is responsible for any damage to the lime spreader be it due to misuse and/or negligence, whether intentional, or unintentional, while in the Lessee's possession. The payment for such damages shall be made to the Lessor as determined by the Scioto Soil and Water Conservation District Board of Supervisors.**
