2012 Vernalpalooza Workshop

Exploring Ohio's Vernal Pools

Join us at Shawnee State Park from Feb 29-March 2, 2012 for a 3-day intensive exploration of Ohio's hidden wonders.

Topics to include:

- *Ecological Diversity of Southern Ohio*
- *What are Vernal Pools?*
- *Inquiry-Based Teaching and Learning and Field Investigations*
- *Vernal Pools, Reptile and Amphibian Survey Techniques with Students*
- *How to Build A Vernal Pool!*
- *Wildlife considerations, permits needed, and the use of animals in the classroom*
- *Tips on grant writing and funding sources*
- *Wildlife and Plants that are found in vernal pools.*
- *And more!!*

Things to Consider:

- *Low registration cost of \$125, includes all meals and lodging.*
- *Presentations and hands-on training from state and national scientists and biologists.*
- *Outstanding afternoon field experiences and investigations to include identifying vernal pools and their characteristics, habitat assessment techniques, wildlife survey techniques, exploration of local vernal pool habitats, and more!*
- *Graduate credit pending*

**Please return the attached registration form.
Space is limited to 40 participants.**
