

ADAMS AND SCIOTO COUNTY

Fall Forestry Field Night

Get to Know Your Local Resources

Your woodlands can offer a wide array of benefits, ranging from quality wildlife habitat for viewing and hunting, to establishing and conserving native species, to homesteading and providing for your family’s needs. Join us at this collaborative program designed to help you connect with your peers, the programs, and the people who are available to help you to set and achieve realistic goals for your woodland property.

DATE: September 24th

TIME: 5:30 p.m. – 8:00 p.m.

Meal at 5:30p.m. , program begins at 6:00p.m.
